Child care is our Love and Mission; please ask if we are running any specials.

During our States Economics troubles we are extending a helping hand to our community, by lowering our ****present rates.**

Full Time and Part Time Fees are the same: ****(Present rate) \$45.00 per day for all age groups.**

Full Time and Part Time Fees per week are:- ****(Present rate) \$225.00.**

Our Part Time days are not hourly they are per three consecutive days of enrollment.

It is up to the client if they choose to bring their child(ren) for half a day of child care and for the full day– the \$45.00 rate/fee remains the same.

Sandra's Daycare will make fee adjustments to meet all subsidized programs HIGHEST Regional Market Rates/Fees.

We do not take drop ins or walk ins.

We are a well child care facility and do not take in ill children – if your child is ill upon arrival to the daycare facility the child(ren) will not be admitted.

If your child becomes ill after drop off you will be contacted and required to pick your child(ren) up from daycare within the hour. Non compliance of this request is terms for termination of our contract to provide child care services to your family.

We all look forward to working together as a team to provide the best child care services for your family.

Here to serve and learn,
Ms. Sandra P. Escobar
